| Short Course Content                             | To provide an overview of basic legal concepts, principles, legal systems, and the application of law.   |  |                |                                 |                     |                     |              |                                      |
| Course Objectives                                | This course aims to teach the fundamentals of the Turkish Legal System (private law mainly, including public law) and important concepts of Turkish law. |  |                |                                 |                     |                     |              |                                      |
| Recommended or Required Reading                  | 1.   | Mahmut Yavaşı, Introducton to Turkish Law, 2015, Dora Yayıncılık. Lecture notes, lecture presentations |                |                                 |                     |                     |              |                                      |
|  |  |  |                |                                 |                     |                     |              |                                      |
|  |  |  |                |                                 |                     |                     |              |                                      |
|  |  |  |                |                                 |                     |                     |              |                                      |
|  |  |  |                |                                 |                     |                     |              |                                      |
| Learning Outcomes                                | 1.   | Learn the basic concepts of law.   |                |                                 |                     |                     |              |                                      |
|  | 2.   | They learn their rights and freedoms as individuals in daily life.                                     |                |                                 |                     |                     |              |                                      |
|  | 3.   | Students learn to analyze legal problems.  |                |                                 |                     |                     |              |                                      |
|  | 4.   | Students gain the ability to solve legal problems by actively participating in the course.             |                |                                 |                     |                     |              |                                      |
|  | 5.   | They have a well-equipped infrastructure in working life.  |                |                                 |                     |                     |              |                                      |
| Planned Learning Activities and Teaching Methods |  |  |                |                                 |                     |                     |              |                                      |
| WEEK   | Date   | Course Contents  |                |                                 |                     |                     |              |                                      |
| Week 1   |  | Concepts of Social Order and Legal Rules   |                |                                 |                     |                     |              |                                      |
| Week 2   |  | Elements, features and legal systems of legal rules  |                |                                 |                     |                     |              |                                      |
| Week 3   |  | Sources of law   |                |                                 |                     |                     |              |                                      |
| Week 4   |  | Enforcement of legal rules   |                |                                 |                     |                     |              |                                      |
| Week 5   |  | The concept of right, its features and types   |                |                                 |                     |                     |              |                                      |
| Week 6   |  | Acquisition, loss and protection of rights   |                |                                 |                     |                     |              |                                      |
| Week 7   |  | practical work   |                |                                 |                     |                     |              |                                      |
| Week 8   |  | Midterm(s)   |                |                                 |                     |                     |              |                                      |
| Week 9   |  | Legal event, legal act and legal transaction concepts  |                |                                 |                     |                     |              |                                      |
| Week 10  |  | Legal action invalidity and its consequences   |                |                                 |                     |                     |              |                                      |
| Week 11  |  | Honesty rule and good faith concept  |                |                                 |                     |                     |              |                                      |
| Week 12  |  | The concept of proof and the rules of proof  |                |                                 |                     |                     |              |                                      |
| Week 13  |  | Concepts of person and driver's license in law   |                |                                 |                     |                     |              |                                      |
| Week 14  |  | judiciary  |                |                                 |                     |                     |              |                                      |
| Week 15  |  | practical work   |                |                                 |                     |                     |              |                                      |
| Week 16  |  | Study week   |                |                                 |                     |                     |              |                                      |
| Week 17  |  | Final  |                |                                 |                     |                     |              |                                      |
